# CERTIFICATE OF INCORPORATION

Societies Act  
Canada:  
Province of British Columbia

No. 9808

I HEREBY CERTIFY that "The 'Voice of the Unborn' Association" has this day been incorporated as a society under the *Societies Act*.

The locality in which the operations of the Society will be chiefly carried on is in the Lower Mainland, Province of British Columbia.

Given under my hand and seal of office at Victoria, Province of British Columbia, this eighteenth day of July one thousand nine hundred and seventy-two.

[L.S.] A. H. HALL  
Registar of Companies

The objects of the Society are:

(1) To be a nonsectarian organization committed to informing and educating the general public on questions related to the sanctity and dignity of human life; protecting the right to life of the unborn child is the central purpose of the Association; the Association favours a legal system that ensures, respects, and protects the right to life for the unborn child and all other citizens as well; at the same time it believes that all men can remain free from the tyranny of those who would destroy human life only if that freedom is founded upon respect for moral and spiritual value and the rule of law; in addition, the Association believes that respect for the value of each single human being is the basic ingredient of a well-ordered happy society and that if

such respect is strengthened, the creative energies of Canadian society will greatly increase; the Association also holds that Canadian society must expand the social services for women unable to cope with their situations and for those children whose parents are unable to care for them, as well as always recognizing the dignity of the family unit, of the child's mother, the rights of the father, and the responsibility of society to assist both mother and child in case of need:

(2) To provide methods which shall be used to promote the objects of the Association, including the creation, publication, and sale of respect for life literature and the training of speakers to present this viewpoint to the Canadian public:

(3) To provide any type of assistance whatsoever to those women who, being pregnant, wish to carry their child to full term; this assistance shall include medical aid, legal counselling, shelter, and employment services:

(4) To do all such things as are necessary to the attainment of the above objectives.
